### **Fairport Pharmacy Celebrates Grand Opening Locally Owned Independent Drug Store Employs Local Staff Mayor, Board Members Attend Ribbon Cutting Ceremony**

Fairport Mayor Frederick “Fritz” May joined Veteran Pharmacists Chet Thapa and Paula Lewyckyj to formally open Fairport Pharmacy, located at 114 North Main Street, next door to Wind Sensations. Deputy Mayor Kevin Clark and Trustee Christine Heisman also participated in the ribbon cutting event, which was attended by a number of village officials and residents.

Thapa and Lewyckyji have already hired three staffers: a full time pharmacy technician, a full time delivery driver and a part time clerk – all Fairport residents.

Hours of operation are: Monday-Friday, 9am-7pm; Saturday, 9am-2 pm. After-hours consultation and emergency service are available 24/7 by calling 585-678-4258.

Fairport Pharmacy specializes in assisting patients requiring long term care management, with a focus on individual attention and service. All insurances are accepted. Additionally, they specialize in custom compounding, fertility treatment drugs, and sports medicine related services. Members of a major independent buying group, they offer competitive pricing on prescription medications, a comprehensive retail selection of over-the-counter medications and medical supplies, and will soon offer nutritional supplements, vitamins and natural herbal remedies.

Building owner, Tony Pittinano, of Perinton Properties, is excited to have a much needed business occupy the space. “Born and raised in Fairport, I can remember when we had two or three pharmacies on Main Street. It’s great to have one here again.”
